To the Employer: File this form whenever you first become aware that an insured employee is unable to work due to illness or injury and will be unable to perform any work or to engage in any occupation for an indefinite period. You are not required to make a medical determination or evaluate the individual's potential for vocational rehabilitation or retraining. The employee will be required to submit medical evidence to the insurance company that demonstrates a total disability.

This form must be filed within 36 months after the last day for which earnings were paid. Insured employees who are on layoff status or on leave for non-medical reasons are eligible if they become disabled during the leave. Employees who have terminated employment are eligible only if the onset of the disability occurred prior to termination. Employees who become disabled while on a union service leave of more than 36 months' duration are not disqualified from receiving a waiver of premium after 36 months. Life insurance coverage must be in force at the time the employee becomes disabled.

**Effective Date:** If approved, the premium waiver will take effect beginning with the first of the month following the date of the onset of disability or the last day for which earnings were paid, whichever is later.
